

NGUYEN XUAN HOANG

Vuon Lai District, Ho Chi Minh City
0825377359 ◇ xuanhoang1992007@gmail.com

EDUCATION

- **Vo Nguyen Giap High School for Gifted Students** *September 2022 - May 2025*
- **VNUHCM - University of Science Bachelor of Artificial Intelligence** *September 2025 - Present*
GPA(current): 3.62/ 4.0
- **Summer in Engineering and Applied Sciences (SEAS) - Quang Tri, Viet Nam** *July - August 2025*
Participant (selected 43 out of 400 applicants nationwide)
 - Completed an intensive 2-week full-day program on **Artificial Intelligence and Applications**, covering Python programming, linear algebra, and machine learning (adapted from the MIT Computer Science undergraduate curriculum). The program **was modeled after real academic research**, emphasizing problem-driven learning and teamwork.
 - Collaborated on a group project applying AI to solving **quantum many-body physics problems**, the initial results show that the model can efficiently find the lowest energy of the system, opening up research directions for various types of quantum systems.

SKILLS

- Technical: Python(NumPy, Pandas, Scikit-learn, Qiskit, Netket), C++
- Soft Skills: Leadership, Presentation Skills, Teamwork
- Tools: Google Cloud Platform, Google Colab, Kaggle, LaTeX

PROJECT

- **Neural Networks for quantum many-body physics - SEAS** *August 2025*
In this project, we utilized Google Colab alongside the NetKet library to describe and solve one of the hardest problems in physics: finding the lowest energy of a quantum many-body system, by combine artificial intelligence with quantum computing.

EXPERIENCE

- **Google Cloud AI Study Jam: QuanQuanGCP Season 7** *September - October 2025*
Participant who done 15 badges are listed in study jam (11 skill badges and 4 regular badges)

AWARDS AND EXTRACURRICULAR ACTIVITIES

- **Third Prize in Vietnam National Chemistry Olympiad 2025** *January 2025*
- **Recipient of the Vo Nguyen Giap HSGS “Three Good Student” Award** *January 2025*
- **Co-head of HR & Logistic, VNG Boardgame Club** *August 2023 - August 2025*
- **Head of HR & External Relation, MaskTech Informatics Club** *August 2024 - August 2025*
